

Strategic Plan 2020 - 2022

Our Mission

To provide quality education and enriched learning
in a caring environment

Our Strategic Aims

- 1 Strengthen the unique character of GSNS**
 - Develop and implement three new strengths-based learning and teaching approaches
 - Actively teach and demonstrate our school values in every classroom
 - Acknowledge and celebrate being a 'normal' school and promote the educational benefits this gives our children and families
 - Promote an inclusive and supportive learning environment through the 'models' style class options
 - Reflect, support and develop the unique multi-cultural identity of GSNS in everything the school does.
- 2 Ensure high quality teacher and learning outcomes**
 - Support and further improve educational outcomes for Māori and Pasifika students
 - Seek opportunities to increase the use of Te Reo in teaching and learning within the school
 - Improve all student achievement by recognising, providing for and enhancing learning opportunities throughout the school
 - Recognise that students' learning will only flourish in an environment that actively supports the health and wellbeing of students.
- 3 Improve the physical environment of GSNS to support high quality educational outcomes and positive health and safety outcomes**
 - Explore ways to deliver an enhanced learning environment for the junior school
 - Create safer ways to connect the junior and senior sides of the school
 - Develop outdoor playground areas that are multi-purpose and all season
 - Further develop and refine the Georgies out of school care service to ensure continued success and safety
 - Develop a formal, costed, budgeted and monitored maintenance programme to protect the value of school assets
 - Look to increase and create more 'green' spaces' and gardens.
